BEG

1. KONTEXT DES VORSCHLAGS

- **Ziele des Vorschlags**

Die Richtlinie 2002/58/EG (im Folgenden „e-Datenschutz-Richtlinie“) ¹ gewährleistet d
Daten im Bereich der elektronischen Kommunikation. Durch diese Richtlinie werden die
in das Sekundärrecht der Union umgesetzt.

Mit dem Inkrafttreten des europäischen Kodex für die elektronische Kommunikation (im

Post-choice society

"Artificial intelligence replaces choice: We never have to decide to take a particular bus or train, but get the fastest way from A to B. We will also never forget our keys, wallets or watches."

Post-voting society

"Since we know exactly what people do and want, there is less need for elections, majorities or votes. Behavioral data can replace democracy as the social feedback system."
